It is the policy of the City of San Diego to encourage equal opportunity in its professional services contracts. Toward this end, proposals from small businesses, disabled owned businesses, women owned businesses, firms owned by African-Americans, American Indians, Asian-Americans, Filipinos and Latinos, and local firms are strongly encouraged. Prime consultants are encouraged to subconsult or joint venture with these firms. The City endeavors to do business with firms sharing the City's commitment to equal opportunity and will not do business with any firm that discriminates on the basis of race, religion, color, ancestry, age, gender, disability, medical condition or place of birth.
